H Pallab Jyoti Dutta

· Research Scholar in the Department of Electronics and Electrical Engineering, IIT Guwahati
9401476791 | h18@iitg.ac.in, pallabhp@gmail.com | https://pallab.github.io/

Objectives

- Highly motivated and organized researcher in the field of Computer Vision and Deep Learning with the intent to utilize the knowledge and skills in exploring solutions to AI challenges/problem statements.
- Passionate about investigating robust ways to address industry-related problems to fulfill organizational goals and hone research skills.

Education

Ph.D. (Pursuing) *2018-present*

Indian Institute of Technology, Guwahati
- CPI: 8.5 (course work CPI).
- Research Topic: **Effective Hand Gesture Recognition for Hand Gesture-operated Interface.**

M.Tech. *2016-2018*

Gauhati University, Guwahati
- CGPA: 9.03
- M.Tech. Project: **Automatic Segmentation of different retinal layers in an OCT image for disease analysis.**

Bachelor of Engineering (B.E.) *2012-2016*

Jorhat Institute of Science and Technology, Jorhat
- Percentage: 85.04%.

Higher Secondary (H.S./ 12th standard) *2010-2012*

Salt Brook Academy, Dibrugarh
- Percentage: 87.6%.

High School Leaving Certificate (H.S.L.C./ 10th standard) *2010*

Don Bosco High School, Jorhat
- Percentage: 87%.

For the complete publication list, please refer to Google Scholar.

Research Experience

- Working as an **AI Scientist** in **Ziroh Labs**, Bengaluru.
- Worked as a **Research Intern** for about 3 months in **Kaliber.ai**
- Research Interests include **Hand Gesture Recognition, Object Detection, Deep Neural Networks, Image processing** and **HCI applications**.
- Experience of working with deep neural models like **VGG16, ResNet**, etc. for recognition, **YOLOv3, RetinaNet, Transformers** for detection, **UNET, Attention UNET, Recurrent Residual UNET, Deeplabv3**, etc. for segmentation, and **encoder-decoder network based on ResNeXT** for depth estimation.

Experience and Activities

- Speaker/Resource person of a workshop session on "**Deep Learning based biomedical systems: Design Challenges and Future Directions**" organized by **IIT Patna** in December 2022.
- Speaker/Resource person of a workshop session on "**Machine Learning and Deep Learning Techniques with Applications**" organized by **IIT Guwahati** in January 2023.
- Speaker/Resource person of a workshop session on "**AI in healthcare**" organized by **Cotton University** in June 2023.
- Speaker/Resource person of a Summer School session on "**Machine Learning and Deep Learning**" organized by **IIT Guwahati** in July 2023.
- Speaker/Resource person of a Summer Internship session on "**Python Programming for Biomedical Image Processing and Research**" organized by **Gauhati University** in July 2023.
- TA to the **NPTEL course** "**Computer Vision and Image Processing - Fundamentals and Applications**" during the January-April session for the years 2021, 2022, and 2023.
- TA to the **NPTEL course** "**Machine Learning and Deep Learning - Fundamentals and Applications**" during the July-October session for the year 2023. Also, **delivered two lectures** for the course. Lec1, Lec2

Skills and Recognition

- **Python, PyTorch, Keras, Tensorflow, Matlab, Latex, HTML, CSS, GIT and GitHub.**
- Awarded Scholarship for Ph.D. by MoE, Govt. of India.
- Developed a virtual convocation platform for 22nd Convocation of IIT Guwahati. LINK1, LINK2

Extracurricular Activity

- Coordinator of the magazine committee of the techno-cultural festival of Jorhat Institute of Science and Technology.
- One of the executive members of the RSF-EEE team (2021-2022).
- Hobbies: Badminton, Guitar
- Participated in sports like Relay race, Long jump, Basketball, etc. in intra-departmental annual sports activity at the University.
- Secured second place in an intra-department badminton competition organized by RSF-EEE (a research scholar forum of IIT Guwahati). Also, represented the Department of Electronics and Electrical Engineering badminton team in inter-department research scholars' badminton tournament.
